# FOREWORD

You know Sortimo as a producer of **Van Racking Systems** but Sortimo is much more than that. Our solution, WorkMo, which is much more than a means of transport, is the living proof of this statement.

**WorkMo stands for Work Mobility.** We have developed a multifunctional system for you to use as workshop equipment, a transport system or a mobile workshop and work bench. So you start your day in your workshop by choosing which module will be needed for your jobs, and just roll them out to your vehicle. They are quickly secured with our ProSafe System and off you go to your jobsite. Everything you need can be brought onto your jobsite, in next to no time, thanks to the mobile WorkMo Module. And all that without once having to reload your tools and your machines. Believe it or not, it gets even better: when you are on site you can expand your WorkMo into a work bench, enabling you to make adjustments directly at your place of operation, professionally, cleanly, and tidily.

WorkMo is also compatible with our unique range of BOXXes, just like all of our Sortimo products. Our one of a kind clicking system as well as the countless possibilities to divide and subdivide make it especially easy for you to organise your working day. With the unlimited variety of our BOXXes program, including the BOXXes partnerships we have built up with leading manufacturers, and the range of contents associated with this, we have created an EcoSystem as a unique selling point. BOSCH, for example, utilise the L-BOXXes as outer packaging for its power tools. Indeed other partners such as FÖRCH, GEDORE, and FISCHER offer complete packages consisting of L-BOXXes with contents. And now the L-BOXX is a common term in the market and has already been sold over 10 million times.

It is our challenge to make your working day as easy as possible. We are living that challenge with WorkMo – experience it live for yourself!

Yours

**Reinhold Braun**
Managing Director of Sortimo International GmbH

MULTI-FUNCTIONALITY

**FOR MOBILITY** | **FOR INDEPENDENCE** | **FOR ORGANISATION**

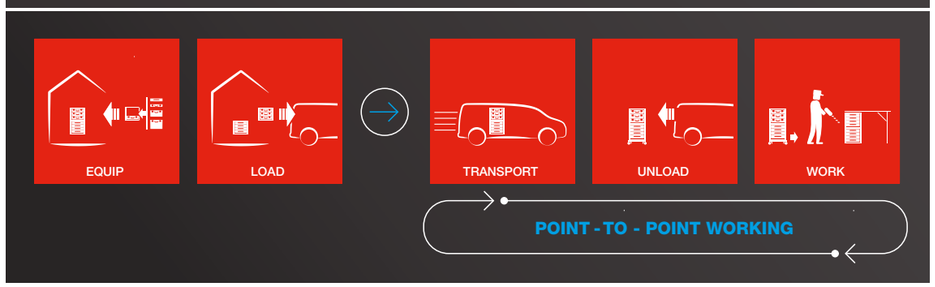
# FOR YOUR WORK-PLACE!

**WORKMO AT A GLANCE**

- made out of impact-resistant hard plastic
- robust operation
- rounded edges
- lockable
- extendable at any time
- compatible with Sortimo BOXXes and case product range
- comprehensive accessories
- combines transport, organisation and work
- ergonomic working height
- long service lifespan
- can be integrated in the vehicle

**WorkMo meets the exact requirements of your own working day.**

## WORKMO IN MOTION



The individual WorkMo modules are extremely portable and easy to secure in the vehicle. Remove quickly from the vehicle, set up and start. After a long working day it is up to you whether you secure the WorkMo with practical accessories and leave it where it is, or put everything back into your module and use it as a transport box for your tools. Completely individual and flexible – **THAT IS THE WORKMO PRINCIPLE!**

## FOR EVERYBODY

- who does not carry out their services directly in the vehicle but wishes to transport the equipment to the construction site efficiently.
- who is searching for a lightweight, modular and flexible mobile workshop.
- who wishes to organise his/her workplace individually and expects an optional expandable system.
- who wishes to use the space in the loading area differently every day, as the loading scope varies from bulky to small parts.
- who primarily is not looking for a permanently installed van racking but a multi-functional transport system.
- who needs to make adjustments at their place of operation and requires a mobile work bench for this.
- who loves organisation!
- who works professionally!

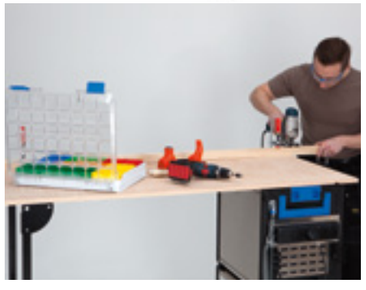
# MAXIMUM FLEXIBILITY

## ARRANGEMENT SYSTEM

WorkMo consists of **portable modules** for the storage of tools. The interior of these elements can be freely equipped to meet your **individual requirements** with drawers, shelves, BOXXes or case slides.

## MOBILITY RIGHT UP TO THE CONSTRUCTION SITE

Your WorkMo components are **quickly transported from the workshop to the vehicle and from the vehicle to the construction site** by means of rollers.



## ERGONOMIC WORKING

The stackable functional modules can be put together to form a **proper workstation.**
With the aid of holders for accessories, multiple sockets, work top and clamping system the transport and organising system becomes a **functional workplace.**
Two different module heights let you arrange your individual working height in an entirely flexible way.

## LOAD SECURING

Sortimo offers additional **WorkMo load securing packages** that provide a suitable securing of the modules in the loading area. The unique **ProSafe load securing system** from Sortimo facilitates a quick and simple lashing of the modules in the vehicle.

## ALWAYS READY FOR USE

On the jobsite you can construct a **professional work place** by just plugging and playing.

**WorkMo** stands for **“Work Mobility”** which is the name of the new **transport, arrangement, and work system from Sortimo,** a stackable functional series of modules which can even be locked onto each other.

**The combination of van racking system, tool case, and mobile work bench,** as well as the resulting multi-functionality, makes it unique in its form – **that’s simply Sortimo.**

**ALL L-BOXXES FROM OUR SYSTEM PARTNERS, SUCH AS BOSCH, FÖRCH, GEDORE, FISCHER AND LOTS MORE, ARE COMPATIBLE WITH WORKMO.**

# INDIVIDUAL CONFIGURATION

## WORKTOPS AND WORK TABLES WIDTH 2 PAGE 28-32

## MODULE WIDTH 2 PAGE 10 - 17

The modules, **width 2,** can be combined with all BOXXes, cases or drawers.

## ROLLER WIDTH 2 PAGE 26/27

## WORKTOP WIDTH 3 PAGE 28

## MODULE WIDTH 3 PAGE 18-19

The modules, **width 3,** can be combined with various drawers, standard shelves or aluminium drop-down fronts.

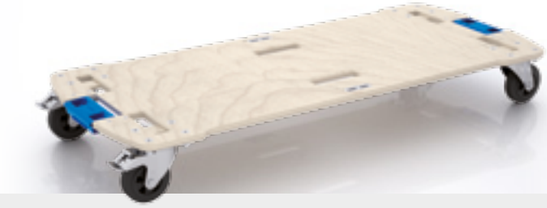
## ROLLER WIDTH 3 PAGE 26/27

## WORKTOP WIDTH 4 PAGE 28

## MODULE WIDTH 4 PAGE 20-21

The modules, **width 4,** can be combined with BOXXes, cases, drawers or aluminium drop-down fronts.

## ROLLER WIDTH 4 PAGE 26/27



The **WorkMo functional modules** can be put together to completely meet your exact requirements. Put your very own **personal WorkMo** together step by step.

Diverse configuration possibilities of the individual functional modules can be found on the next few pages.

## SIDES AND ACCESSORIES AS OF PAGE 34

You can **individualise** your own WorkMo to meet exactly your requirements by means of a variety of accessories.

The WorkMo modules are available in **three widths and two highs** and can be combined among each other.

WORKMO WIDTH 2

# READY FOR WORK

**STANDARD MODULE HIGH 500 WIDTH 2** ▶ **FOR L-BOXXES**

Equip the WorkMo functional module with the popular L-BOXX. It is very robust and holds up to almost any challenge thanks to its method of construction; made of **impact and shock resistant** ABS plastic, it is extremely resilient. Heavy materials, small components, or tools, can be transported with the L-BOXX. You are **perfectly equipped** at every job site with it.

**WORKMO 24-500**
WO 24-500
Ref. No. 1000003611
Dimensions: 526 x 506 x 396 mm
Weight: 6.4 kg
**£ 103.85**

The **L-BOXX** is used by well-known manufacturers such as BOSCH, FÖRCH or GEDORE as outer packaging for tools or consumables. You may possibly already have one of our **partner L-BOXXes** in your possession which you could integrate in the WorkMo.

# READY FOR WORK

## STANDARD MODULE HIGH 500 WIDTH 2 ▸ FOR DRAWERS AND THE MULTISLIDE

Drawers are the perfect storage place for tools and consumables which are required on a daily basis.
They provide plenty of storage space and **keep everything in order.** The drawer panels are made of impact-resistant hard plastic and thereby meet daily requirements. By **integrating a MultiSlide** you can equip your WorkMo at will, with either drawers or BOXXes or a mix.

Drawers can be subdivided by means of **dividers or inserts** for more organisation at a glance.
In that way nothing gets mixed up during transit. Dividers and inserts can be found as of **page 36.**
MultiSlide and case tray enable full extension which means **direct access to case or BOXXes** without having to remove them.

**WORKMO 24-500**
WO 24-500 SBL+MS
Ref. No. 1000003747
Dimensions: 526 x 506 x 396 mm
Weight: 14.7 kg
incl. 2 Drawers Height 6, MultiSlide to pull out
**£ 192.40**

**WORKMO 24-500**
SET WO 24-500 MS1
Ref. No. 1000003826
Dimensions: 526 x 506 x 396 mm
Weight: 17.2 kg
incl. 2 Drawers Height 6, MultiSlide to pull out, L-BOXX 136 empty
**£ 214.83**

**WORKMO 24-500**
WO 24-500 SBL6
Ref. No. 1000003702
Dimensions: 526 x 506 x 396 mm

# READY FOR WORK

## STANDARD MODULE HIGH 750 WIDTH 2

## FOR EVEN MORE ORGANISATION

### MORE WORKING SPACE

The WorkMo modules in **height 750** offer even more storage space for tools, small parts and consumables.
Use the full height as storage space for your BOXXes and cases or equip your WorkMo with drawers or the MultiSlide.
In combination with the work top, the WorkMo 750 reaches an **ideal working height of 80 cm for hard work** so that you are able to work joint-friendly at the construction site as well.

**WORKMO 24-750**

**£ 377.55**

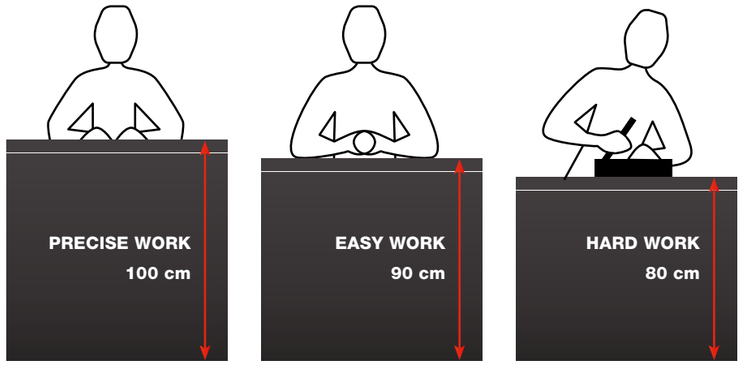
### THE UNIVERSAL CABINET

**WORKMO 24-750 UNIVERSAL CABINET**
WO 24-750 UST
Ref. No.: 1000004466
Dimensions: 526 x 744 x 396 mm
Weight: 20,4 kg
incl. 1 drawer height 6, 1 drawer height 8, universal cabinet door with two shelves
**£ 530.50**

With the **lockable door,** the WorkMo becomes a locker at the construction site, in the vehicle or in the workshop. Measuring devices, tools or also wallet and valuables find a safe place here. The universal cabinet includes two standard shelves.



**NEW**
WorkMo adapts to your demands. You have the choice between two heights for your well-being:
You have to carry out hard work, then opt for the WorkMo in height 750.
If you rather have to make fine adjustments, you should stack two WorkMo 500 on top of each other in order to arrive at the ideal working height of one metre.

More Small Components Cases and T-BOXXes can be found **as of page 42** or in the **Mobile Assortments catalogue.**

# MOBILE AND INDEPENDENT

## ROLLER

The roller made of **beech wood multiplex** makes the WorkMo completely mobile. The castors are completely encased in rubber and guarantee a smooth running. The WorkMo is attached to the roller via a connecting clamp. The flat surface also enables the transport of other materials.

The load can also be fastened to the roller by means of the embedded **ProSafe lashing points.** The roller is available in the WorkMo widths 2, 3 and 4. Two castors are equipped with brakes in each version.

**ROLLER WORKMO 24**
**WO RO 24**
Ref. No. 1000003706
Dimensions: 612 x 493 x 144 mm
Load capacity up to 200 kg
**£ 95.80**

**ROLLER WORKMO 34**
**WO RO 34**
Ref. No. 1000003707
Dimensions: 854 x 493 x 144 mm
Load capacity up to 200 kg
**£ 119.95**

**ROLLER WORKMO 44**
**WO RO 44**
Ref. No. 1000003708
Dimensions: 1096 x 493 x 144 mm
Load capacity up to 200 kg
**£ 136.05**

Prices shown do not include installation, VAT, or delivery.

Stow away your roller securely while saving space in your vehicle with a specially made holder, which can be universally used for all three widths.

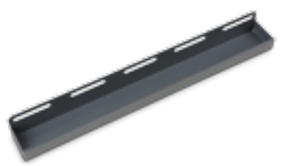
**WALL FIXATION ROLLER WORKMO**
**WO WHR**
Ref. No. 1000003963
Dimensions: 254 x 270 x 97 mm
Weight: 1.5 kg
**£ 18.48**

**ALUCADDY FOLDABLE**
**ZCAKL**
Ref. No. 801014905
Dimensions: 490 x 490 x 1090 mm
Folded: 490 x 60 x 760 mm
Foldable aluminium caddy for transporting L-BOXXes or bulky goods.
With telescopic handle and two large wheels with hard rubber tyres.
Load capacity up to 125 kg.
Weight: 6 kg
**£ 127.14**

With the roller adapters the WorkMo becomes a full workshop trolley. The roller adapters are screwed to the WorkMo and make it permanently mobile.
They are suited for all widths. Two of the steering rollers can be locked.

**ROLLER ADAPTERS WORKMO VPE2**
**WO RK VPE2**
Ref. No. 6000002992
Weight: 2,6 kg
resilient up to 150 kg/pair
**£ 55.55**

**WALL FIXATION ALU-CADDY**
**WH ZCAKL**
Ref. No. 1000004391
To hold the caddy.
Tip: The assembly of two lashing points ProSafe (ref. no. 6000001231) and the fixation with a bungee strap ProSafe (ref. no. 1000002455) is recommended for the fixation in the upper section.
**£ 21.76**



# WORKING
# WHEN AND WHERE YOU LIKE

## WORKTOPS AND WORKTABLES

The convenient WorkMo worktops and worktables on the upper surface of the module provide you with a **perfect workstation at your job site,** on which adjustments can be made to your materials. The worktops and worktables are connected to the WorkMo via a **latching mechanism** and can be removed when required at any time.

The two stacked WorkMo modules come up to the **ideal working height,** and your tools, machines, and consumables, are always at hand. Both the worktable and worktop are available with or without a clamping system.

**PERFORATED WORKTOP WIDTH 2**
WO APL 24
Ref. No. 1000003696

WWW.SORTIMO.CO.UK/WORKMO

WORKMO ACCESSORIES

# EVERYTHING AT HAND

**SCREW SET**
WO SSA1
Ref. No. 1000003777
**£ 2.02**

For fastening your accessories onto the WorkMo you require 4 screws each. The suitable screws can be ordered additionally as a screw set.

## STORAGE POCKETS

The storage pockets are the **ideal storage place** for consumables, documents, and tools. The storage pocket can be screwed onto the side of the WorkMo so that you always have everything ready at hand.

**STORAGE POCKET 04-7 MADE OF HARD PLASTIC**
AB 04-7 KU
Ref. No. 6000001329
Dimensions: 353 x 123 x134 mm
**£ 21.43**

**STORAGE SHELF SIDE WALL MADE OF METAL**
WO ABLT 14-9
Ref. No. 1000003962
Dimensions: 353 x 152 x 229 mm
incl. Anti-rattle mat
**£ 31.40**

**STORAGE POCKET FOR PAPER MADE OF HARD PLASTIC**
AB 04-12K
Ref. No. 801016054
Dimensions: 356 x 204 x 89 mm
**£ 10.12**

## STATIONARY POSITIONING

**WALL FIXATION WORKMO**
WO WH 20-3
Ref. No. 1000003803
**£ 19.32**

You can use WorkMo as a stationary workshop facility. With the aid of a **wall fixation, WorkMo** can simply be mounted onto the wall.

**BIG STORAGE POCKET 04-7**
AB G 04-7
Ref. No. 1000002447
Dimensions: 356 x 115 x 252 mm
**£ 43.57**

**ANTI-RATTLE MAT LARGE 04-7**
ARM AB G 04-7
Ref. No. 6000002115
Dimensions: 352 x 242 x 4 mm
**£ 5.48**

The **exact size Anti-rattle mat** can be ordered optionally in addition:

## HOOKS

The hook strip is mounted onto the side of the WorkMo and is ideal for stowing away **jackets, cables, helmets, hoses** and similar items. The load capacity of the strip is limited to 12 kg.

**HOOK STRIP 04**
ZHL 04
Ref. No. 1000002647
Dimensions: 355 x 51 x 80 mm
The hook strip, depth 4 has 3 hooks.
**£ 19.45**

## CLAMPING STRIP FOR TOOLS

**CLAMPING STRIP FOR TOOLS 04-3**
WKL 04-3
Ref. No. 1000003642
Dimensions: 355 x 33 x 48 mm
**£ 14.67**

The clamping strip for tools is mounted onto the side of the WorkMo. The main advantage here is that your tools cannot move around, are ready at hand, and are **secured during transport.**

## POWER SUPPLY

**ELECTRIC POWER SUPPLY 4-WAY WORKMO**
WO SV 04-7
Ref. No. 1000003774
Dimensions: 308 x 118 x 60 mm
incl. mounting plate and cable hooks
8 screws are required for fastening.
**£ 31.80**

**ADVANTAGES**
- power supply directly onsite
- wired ready for connection
- sturdy and splash water protected
- with foldable cover
- time saving and efficient work

Prices shown do not include installation, VAT, or delivery.

L-BOXX

# ORGANISATION MADE EASY

See the unlimited design variations of the L-BOXX for yourself in our catalogue **“Mobile Assortments”.** This can be ordered per **Fax form on page 57** or by scanning in the QR-Code.

www.sortimo.co.uk/catalogues

## L-BOXX

The L-BOXX is the **perfect transport aid and perfect for keeping everything in order,** no matter whether it is for heavy material, customer samples, or tools.

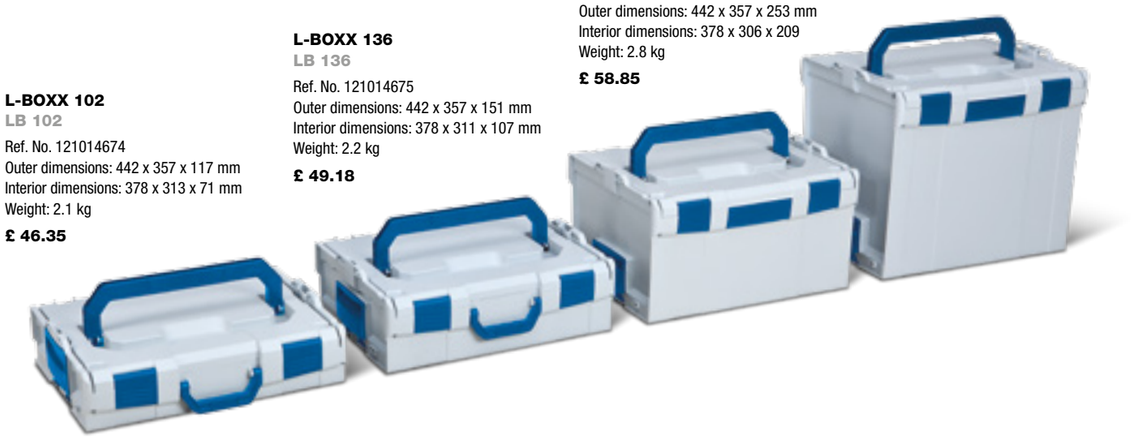
Another advantage is the **quick click system.** Thanks to this, L-BOXXes can be clicked together and separated from each other with the push of a button. The L-BOXXes are made of impact and shock-resistant ABS hard plastic. They are a useful necessity and offer mobility with their 4 different sizes. They can also be integrated into the WorkMo using our standard shelves or the MultiSlide.

**L-BOXX 102**
**LB 102**
Ref. No. 121014674
Outer dimensions: 442 x 357 x 117 mm
Interior dimensions: 378 x 313 x 71 mm
Weight: 2.1 kg
**£ 46.35**

**L-BOXX 136**
**LB 136**
Ref. No. 121014675
Outer dimensions: 442 x 357 x 151 mm
Interior dimensions: 378 x 311 x 107 mm
Weight: 2.2 kg
**£ 49.18**

**L-BOXX 238**
**LB 238**
Ref. No. 121014676
Outer dimensions: 442 x 357 x 253 mm
Interior dimensions: 378 x 306 x 209
Weight: 2.8 kg
**£ 58.85**

**L-BOXX 374**
**LB 374**
Ref. No. 121014677
Outer dimensions: 442 x 357 x 389 mm
Interior dimensions: 378 x 296 x 345 mm
Weight: 3.4 kg
**£ 58.90**



Sortimo has many strategic partners that use the L-BOXX as outer packaging for tools or consumables. The advantage for you is you may possibly already have one of our partner L-BOXXes in your possession which you could integrate in the WorkMo.

You can organise the perfect L-BOXX yourself with the aid of inserts, dividers, and Inset boxes.

All variations can be found in the **Mobile Assortment catalogue.**

Prices shown do not include installation, VAT, or delivery.

**WWW.SORTIMO.CO.UK/WORKMO**

# ORGANISATION MADE EASY

## T-BOXXES

The handy T-BOXX, made of plastic, is lightweight, sturdy, impact-resistant, and clearly laid out – these characteristics make the T-BOXX a real alternative to the classic Metal case. The practical Inset Boxes keep everything in order and enable a **quick overview** with the transparent cover made of high tensile polycarbonate.

WorkMo provides a simple solution for the transportation and storage of T-BOXXes. By means of the case tray, the lids of cases and BOXXes can be fully opened up, which facilitates the quick removal of small components and tools.

**T-BOXX EMPTY**
STB 320
Ref. No. 51012126
Dimensions: 440 x 350 x 80 mm
Weight: 1.6 kg
Without Inset boxes

3 x C3 blue, 2 x D3 green.
**£ 30.67**

**T-BOXX D3 GREEN**
STB 321 D
Ref. No. 51012130
Dimensions: 440 x 350 x 80 mm
Weight: 2.3 kg
Equipped with Inset boxes:
8 x D3 green.
**£ 32.12**

Prices shown do not include installation, VAT, or delivery.

See the unlimited design variations of the Metal case for yourself in our catalogue **“Mobile Assortments”.**
This can be ordered per **Fax form on page 45**
or by scanning the QR-Code.

www.sortimo.co.uk/catalogues

## CASE

The Metal Case is **extremely sturdy** and passes every working day endurance test. No matter if it‘s a heavy payload or heavy equipping – the functionality does not change.

- carrier comfort
- practical one hand operation
- 120 degree stop angle of the cover
- flexible organisation inside: many subdivision possibilities with Inset boxes, dividers or foam inserts

The Metal case can be simply **integrated into the WorkMo** up to a height of 130 mm by means of service case rails, case trays, or the MultiSlide.

**SMALL COMPONENTS CASE 320**
KM 320
Ref. No. 5228000
Dimensions: 440 x 330 x 66 mm
Weight: 2.6 kg
without Inset boxes
**£ 34.70**

**SMALL COMPONENTS CASE 330**
KM 330

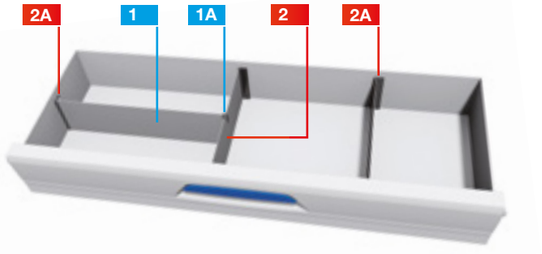
# ORGANISATION MADE EASY

## DIVIDERS FOR DRAWERS

You can equip your WorkMo module with drawers for even more organisation. They keep everything in order and provide a secure storage place for all types of tools and small components. The integrated recessed grips are especially clever as they enable **trouble free opening even while wearing work gloves.** Your drawers can also be subdivided to meet your requirements with the addition of dividers or inserts.



### 1 DIVIDERS

subdivide the drawers in depth. Divider adapters are required for connecting the dividers to the slotted dividers (have to be ordered separately).

| | | | | |
|---|---|---|---|---|
| **DRAWER WIDTH 2** | **TB 20-6 154** | Ref. No. 411003651 | Divider 62 x 154 mm | **£ 0.44** |
| | **TB 20-8 154** | Ref. No. 411003655 | Divider 93 x 154 mm | **£ 1.13** |
| | **TB 20-6 235** | Ref. No. 411003652 | Divider 62 x 235 mm | **£ 1.05** |
| | **TB 20-8 235** | Ref. No. 411003656 | Divider 93 x 235 mm | **£ 1.21** |
| **DRAWER WIDTH 3** | **TB 20-6 235** | Ref. No. 411003652 | Divider 62 x 235 mm | **£ 1.05** |
| | **TB 20-8 235** | Ref. No. 411003656 | Divider 93 x 235 mm | **£ 1.21** |
| **SCHUBLADE WIDTH 4** | **TB 40-6 559** | Ref. No. 411003654 | Divider 62 x 559 mm | **£ 1.77** |
| | **TB 40-8 559** | Ref. No. 411003658 | Divider 93 x 559 mm | **£ 2.50** |

### 1A ADAPTER FOR SLOTTED DIVIDER

connects the divider to the slotted divider.

| | | | |
|---|---|---|---|
| **ATB 9** | Ref. No. 491003938 | Adapter for divider | **£ 0.35** |
| **DATB 9** | Ref. No. 491003307 | Double adapter for divider | **£ 0.35** |

### 2 SLOTTED DIVIDERS

subdivide the drawers in width. Two drawer brackets are required each time for the fastening of slotted dividers (have to be ordered separately).

| | | | | |
|---|---|---|---|---|
| **DRAWER WIDTH 2** | **SB 04-6 310** | Ref. No. 411003659 | Slotted divider 62 x 310 mm | **£ 2.58** |
| | **SB 04-8 310** | Ref. No. 411003660 | Slotted divider 93 x 310 mm | **£ 3.14** |

### 2A DRAWER DIVIDER HOLDER

connects the slotted divider to the drawer.

| | | | |
|---|---|---|---|
| **SBLTB 00-6 2** | Ref. No. 411014577 | Divider holder for drawer height 6 | **£ 0.27** |
| **SBLTB 00-8 2** | Ref. No. 411014578 | Divider holder for drawer height 8 | **£ 0.27** |

Prices shown do not include installation, VAT, or delivery.

All L-BOXX inserts from our Partners for L-BOXXes 102 and L-BOXXes 136 fit into our drawers!

## DIVIDER SETS

Dividers bring tidiness into both large and small drawers. Standard shelves can also be more efficiently subdivided. Available in sets, individually or as a small components inserts.

**DIVIDER SET FOR DRAWER WIDTH 2**

LOAD SECURING
PROSAFE

# SECURE IN VEHICLE

## PROSAFE

**SoboGrip ProSafe floor** enables quick and uncomplicated lashing of the WorkMo modules in your vehicle.
The advantage of the SoboGrip ProSafe floor is that there are already embedded individual lashing eyes integrated into the floor. Your **cargo can be secured very flexibly** with it.

**LASHING STRAP PROSAFE LOCK BUCKLE**

**1.4 m**
PSH KS 1.4
Ref. No. 1000000224
Resilient up to 225 daN
Strap width: 25 mm
Strap length: 1.4 m
**£ 8.10**

**3 m**
PSH KS 3
Ref. No. 1000000222
Resilient up to 225 daN
Strap width: 25 mm
Strap length: 3 m
**£ 10.52**

**6 m**
PSH KS 6
Ref. No. 1000000223
Resilient up to 225 daN
Strap width: 25 mm
Strap length: 6 m
**£ 14.37**

**LASHING STRAP PROSAFE RATCHET**

**3.5 m**
PSH RA 3.5
Ref. No. 1000000225
Resilient up to 400 daN
Strap width: 25 mm
Strap length: 3.5 m
**£ 21.76**

**6 m**
PSH RA 6
Ref. No. 1000000226
Resilient up to 400 daN
Strap width: 25 mm
Strap length: 6 m
**£ 19.48**

**BUNGEE STRAP PROSAFE 1000MM + 2 HOOKS**
SG PS 1000
Ref. No. 1000002455
Dimensions: 1000 x 20 x 30 mm
**£ 8.37**

The bungee strap from Sortimo is **suitable for the fixation of bulky goods** in your vehicle and extended by means of load securing elements from Sortimo. The plastic hooks can be inserted into all ProSafe lashing points and ProSafe rails, but can also be attached to original lashing points for example or hooked into partition grids.

Thereby resulting in **numerous fixation possibilities** in your vehicle:

- Secure against falling over
- Secure against falling out
- Secure against skidding
- Stowage / organisation of cables
- Fixation of long components

Prices shown do not include installation, VAT, or delivery.

WWW.SORTIMO.CO.UK/WORKMO

LOAD SECURING
PROSAFE

# SECURE IN VEHICLE

## PROSAFE

You can **quickly, professionally, and securely lash your WorkMo,** with our special ProSafe accessories.

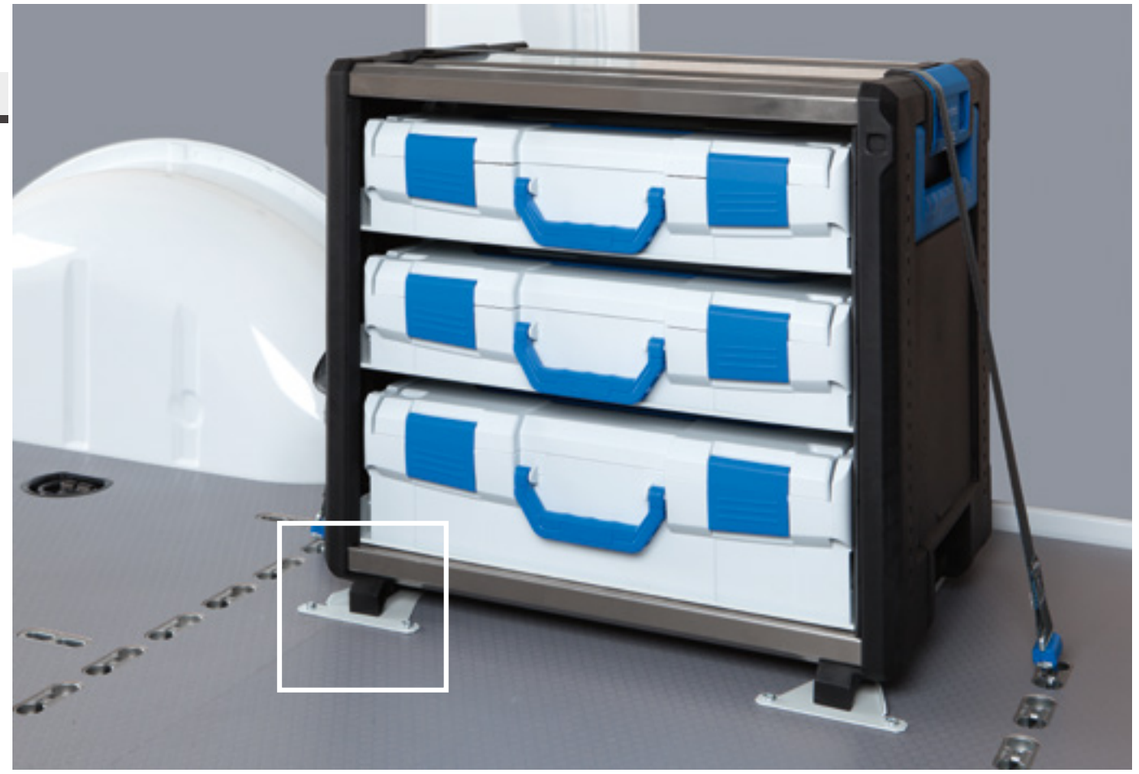
**CARGOSTOP PROSAFE**
**CST PS**

Ref. No. 1000003736

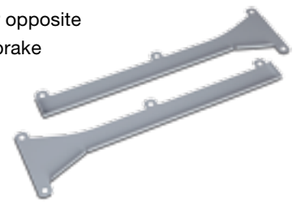
The CargoStop ensures reliable load securing on the vehicle floor. Its hook is simply inserted into the ProSafe floor lashing points.

**£ 19.43**

The CargoStop ProSafe can be used in combination with our SoboGrip ProSafe floor, as a **form locking load securing measure for WorkMo.** The CargoStops are inserted into the ProSafe lashing points and lock in place there. The practical blocking beam of the CargoStops enable the hooking of the ProSafe lashing strap, through which the WorkMo can be secured. In connection with a restraint pole, a blocking beam is created which secures the WorkMo. By using the CargoStops two at a time, a form locking securing of different loads is guaranteed, even without the implementation of a restraint pole.



The floor rails are screwed onto the vehicle floor and serve as **position locking of the WorkMo.** They can be mounted either opposite to or transverse to the driving direction in order to absorb the brake force in a form-locking way. An additional lashing strap is necessary for load securing.



**FLOOR RAIL WORKMO**
**WO BS**

Ref. No. 1000003961

Consists of 2 floor rails.

**£ 18.48**

**SET OF SCREWS FLOOR FIXATION**
**WO SSA 4**

Ref. No. 1000004214

consists of 8 pcs. chipboard screws to attach the floor fixation to your Soboflex/ Sobogrip floor

**£ 0.97**

Prices shown do not include installation, VAT, or delivery.

WORKMO IN ESTATE CARS

# SECURE IN ESTATE CARS

## PROSAFE

With WorkMo we have created the ideal transport solution for the boot in estate cars for you. Whether you are underway in the field or as a service technician, your material is stored cleanly and safely in the modules. And the best is that WorkMo is integrated into your vehicle quickly and removed again just as quickly. Thus, nothings stands in the way of the private use of your car.

These WorkMo modules can be secured in the vehicle by means of the already integrated lashing eyes.

In case your estate car is not included in the table, please do not hesitate to contact one of our nine branch offices, 25 stations or Sortimo Direct.

We will be pleased to assist you.

The most current information on WorkMo for estate cars is available at **www.sortimo.co.uk/workmo**
